Justin,

Apologies for delay in coming back to you - busy last week with Open Day & Enrolment. I won't make it Thursday, but will see if Marian is available. Will confirm with you this afternoon.

Dear David,

15.

Happy New Year! Hope all is going well for you and your colleagues this term.

Over recent months the Elphin Diocese, with much support and guidance from others, has been developing a two-week residential Faith Development and Religious Education Summer School initiative oriented towards Pre-Leaving Cert. students. More detail is available in the attached pdf and I look forward to making hard copies available to Ballinode Community College at a later date.

The Summer School initiative will be launched by Bishop Kevin in The College of the Immaculate Conception (Summerhill) Sligo on Thursday January 29th between 2.30 and 3.30 pm.

We would like to invite you, a member of Ballinode Community College's Religious Education team and up to five Pre-Leaving Certificate students to join us for the launch.

As part of the launch there will be scope for boys and girls (principals and teachers!) with an interest in equestrian and water related activities to appear in a related photo with Bishop Kevin!

In keeping with Safeguarding best practice I must ask that the students who represent Ballinode Community College have the written consent of their parents / guardians to appear in photographs that emanate from the launch.

In the event that Ballinode Community College's policy documentation does not cover this type of event please get in touch and I will see what I can do.

Finally David I would like to share that I am also researching the possibility of parishes contributing towards the cost of the summer school, i.e. by way of reducing the financial burden for hard-pressed parents.

Looking forward to hearing from you.
Sincerely,

Justin
