Dear David and Margaret,

Sincere thanks for supporting the Elphin diocese's Faith & Life Celebration for 5th Year students in Knock yesterday.

We were delighted to have Ballinode Community College with us and we trust the students enjoyed the day. They certainly were exemplary in their participation and a great credit to you.

As a token of appreciation [redacted] and I would love to treat you both to lunch after the Easter break. I have made a note in my diary to email you again. Sorry it's not possible any sooner.

I also look forward to meeting you both in Ballinode Community College before the end of the year. ... I have some resources for you [redacted] from our recent in-service day.

Wishing you both a restful and enjoyable weekend.

Kind regards,

Justin
