Details on School/Centre to appear on MSLETB Website (not more than 300 words)

Colaiste Iascaigh is located in the small seaside village of Easkey in West Sligo. Our school ethos places caring for and nurturing students at the forefront of what we do. The school's atmosphere is based around the key values of self-esteem, justice and respect for others. Our belief is that this characteristic spirit will allow our students to thrive and achieve their potential.

Coláiste Iascaigh has a proven record of academic achievement. There is a heavy emphasis placed on teaching and learning, and providing methods of instruction that meet the needs of our learners. Central to this is the commitment of our teaching staff who continually work with students to encourage and inspire them as they move through this phase of their education.

Our school places great value on a pastoral care structure that aims to ensure that all of our students are supported throughout their time in the school. Coláiste Iascaigh is a school community in its truest sense where all individuals can feel comfortable in their environment. The low pupil-teacher ratio ensures that students get the personalised attention in classes that allows them to prosper as learners. The school's sports and co-curricular programmes provide an opportunity for all students to participate in events outside of the classroom, and as such form an important part of the holistic education provided by the school.

For further information on the programmes and courses on offer please log on to our school website or contact the school directly.

Principal: Maeve Kelly

Deputy Principal: Lorraine Sherlock
